

**Volunteering initiative
for citizens to help
improve Delhi's
Environment**

7th July 2022

Why Paryavaran Mitra?

Effort to organise volunteers for environment in a unified path

About the Program

Paryavaran Mitra is Delhi government's volunteering initiative to invite citizens to contribute towards improving the environment of Delhi.

Volunteering Themes

Increasing Greening

- Tree Plantation
- Urban Farming
- Park and Gardens

Reducing pollution

- Air pollution
- Water pollution
- Noise pollution

Improving waste management

- Plastic Waste
- Solid Waste
- e-Waste

Example of Volunteering Activities

Increasing Greening

1. Participating in mass scale tree plantation drive during monsoon season.
2. Organizing urban farming workshops at ward level.
3. Taking up maintenance of local parks and gardens.

Reducing pollution

1. Making people aware of Green Delhi mobile app; walkathons for lodging air pollution violations.
2. Awareness campaign for harmful chemicals being discharged in Yamuna.

Improving waste management

1. Organizing awareness drives in markets/RWAs against Single Use Plastics.
2. Setting up Community composting facilities/units in RWA parks and gardens.

Execution Plan (Team)
