

INNOVATION CHALLENGE

Delhi Pollution Control Committee (DPCC), Govt. of NCT of Delhi, invites innovators, technology developers, R&D institutions, and universities across India to submit their proposals for innovative solutions for mitigation of air pollution/reduction of PM2.5 & PM10 emissions.

OPEN TO

R&D Institutions, Technology Developers, Institutions, Universities, Colleges, Partnerships or Entities Registered Under the Indian Companies Act, 2013, Start-ups (registered with DPIIT) and Individuals or Any Other Legal Entity.

The goal of this challenge is to identify and support low-cost, easy-to-maintain, scalable, and effective technological solutions for Delhi in these two areas:

- A** Reducing/absorbing/capturing PM2.5 and PM10 emissions from BS-IV or below BS-IV vehicles.
- B** Reducing/absorbing/capturing PM2.5 and PM10 emissions from the ambient air.

Rewards & Benefits

Rs. 5 Lakh

To every project shortlisted by the Independent Technical Evaluation Committee after critical review; and testing/ field trials supported and facilitated by DPCC.

Rs. 50 Lakh

To every project finally recommended to GNCTD.
